## AFFIDAVIT OF FACTS IN THE COMPLAINT

37 To the Federal District Clerk, the following:

38 Pursuant to: Justice for All

39 Introduction and Brief History of what lead to the Brutality by Police and other Law  
40 enforcement Officers

42 enforcement Officers

43 On or about November 17<sup>th</sup> 2021, I shakenah, trustee/grantor for ESTATE OF JOHNSON,  
 44 who journey to 91 North 48<sup>th</sup> (Youth Study Center) in which I have tried to reach out to  
 45 Maurice Stovall, Ms. Hayes or, and Ms. Colleen who were agents for the YOUTH STUDY  
 46 CENTER which is a Juvenile Facility, were I inquire about information pertaining to my Son's,  
 47 these two people Ms. Colleen, and Ms. Hayes refuse to give me any information, then Colleen  
 48 gave me some documents, however none of the documents made any sense, then I ask to  
 49 speak with Maurice Stovall, who denied to come out, and talk to me, I notice Ms. Colleen in  
 50 the back lobby talking to a parent then I went to the back lobby, and said, hello Ms. Colleen  
 51 remember me Ms. Johnson, and she said yes I said ok, I am here to talk to Maurice Stovall, or  
 52 who is in charge, can you get Maurice please she stated she can't do that I asked WHY ?, I said  
 53 to Colleen, I have been here to many times and haven't gotten any correct information in  
 54 regards to who is the Judge on the case correct, Ms. Colleen said she can't, and I walked to  
 55 the back and I ask why one can't I go to the back with you she said you are not allowed to go  
 56 to the door when my son was placed on an ankle monitor officers who say mam you can't go  
 57 back there I ask why they stated you are not allowed so Ms. Colleen went thru the door in  
 58 which the officers guarding, so I said excuse me I reached to turn the knob it was locked the  
 59 officer then pushed me, and I then told him not to touch me again.

## 61 JURISDICTION

62

63 The Non-Statutory Abatement challenged jurisdictional facts necessary to place or bring  
 64 Petitioner within the inferior court's venue or jurisdiction. Petitioner is natural born, free, and  
 65 sovereign. Petitioner is an aboriginal in her own land with full religious immunity as cited by  
 66 Supreme Court Murdock vs. Pennsylvania Case Law 319 U.S. 105 as *In propria persona* neutral  
 67 "foreign state" holding full, diplomatic, immunity as an original sovereign Female in this Land  
 68 as in Nunc Pro Tunc there for the inferior court lack subject matter jurisdiction because of

69 the defendant(s) unconstitutional actions all others by the inferior court is void ab initio, and  
70 now the inferior court (COUNTY COURT) lack subject matter, and has no lawful authority  
71 to act or proceed persona jurisdiction therefore permanent jurisdiction is granted to the  
72 Federal District thought out the case existence.

## JURISDICTIONAL FACTS AND CASE LAW

“Jurisdiction Must Be Properly Established Before Inferior Court Can Proceed”

When the jurisdiction of any tribunal is challenged, that tribunal bears the burden of proving jurisdictions over both person and subject matter. In a court of limited jurisdiction, whenever a party denies that the court has subject-matter jurisdiction, it becomes the duty and the burden of the party claiming that the court has subject-matter jurisdiction to provide evidence, Bindell v. City of Harvey, 212 Ill.App.3d 1042, 571 N.E.2d 1017 (1st Dist. 1991) Once jurisdiction is challenged it must be proven. "Hagins vs Levine 415 US 533 note 3 (1974) Where the question of jurisdiction in the court over the person, the subject matter, or the place where the crime was committed can be raised, in any stage of a criminal proceeding; it is never presumed, but must always be proved; and it is never waived by the defendant. " U.S. vs. Rogers, District Court Ark., 23 Fed 658 1855Title 5 U.S.C. § 556 states as follows: "When jurisdiction is challenged the burden of proof is on the government." The burden of proving jurisdiction rests upon the party asserting it."Loos v. American Energy Savers, Inc., 168 Ill.App.3d 558, 522 N.E.2d 841 (1988) "Where jurisdiction is contested, the burden of establishing it rests upon the plaintiff." One may challenge the court's subject matter jurisdiction at any time"; Troy Gold Indus., Ltd. v. Occupational Safety & Health Appeals Bd., 187 Cal. App. 3d 379, 385 n.3, 231 Cal. Rptr. 861, 864 n.3 (1986) (lack of subject matter jurisdiction may be raised for the first time on appeal). Jurisdiction once challenged cannot be assumed and must be decided. "Maine v. Thiboutot 100 S. Ct 2502 Therefore, it is necessary that their cord present the fact establishing the jurisdiction of the tribunal. "Lowe vs.Alexander 15C 296; People vs. Board of Delegates of S.F. Fire Department. 14 C 479 Once challenged, jurisdiction cannot

96 be assumed, it must be proved to exist." Stuck v. Medical Examiners, 94 CA2d 751.211 P2s  
 97 389 A judge's allegation that he has subject-matter jurisdiction is only an allegation (Lombard  
 98 v. Elmore, 134 Ill.App.3d 898, 480 N.E.2d 1329 (1st Dist. 1985); Hill v. Daily, 28 Ill.App.3d  
 99 202, 204, 328 N.E.2d 142 (1975)); It is clearly observable in the varied courts that the standard  
 100 practice in Public Policy is that establishment of jurisdiction on the record is required.  
 101 Limitation On Court Action It is equally clear that failure to provide proof for the record of  
 102 jurisdiction over person and subject matter dispossesses a tribunal of ability to adjudicate: If  
 103 any tribunal finds absence of proof of jurisdiction over person and subject matter, the case  
 104 must be dismissed. "Louisville RR v. Motley, 211 U.S. 149, 29 S. Ct. 42, that did not happen." The  
 105 law requires proof of jurisdiction to appear on the record of the administrative agency and all  
 106 administrative proceedings. "Hagans vs Lavine 415 U.S. 533 No sanction can be imposed  
 107 absent proof of jurisdiction." Standard v. Olesen 74 S. Ct 768 An aggrieved party may petition  
 108 the supreme court for relief in the nature of prohibition when an inferior case has allegedly  
 109 exceeded its jurisdiction. Solliday v. District Court, 135 Colo. 489, 313 P.2d 1000 (1957). An  
 110 order in the nature of prohibition should be entertained where it is apparent that no judgment  
 111 in favor of the plaintiff in the court below could be affirmed for want of jurisdiction over the  
 112 person of the defendant. Carlson v. District Court, 116 Colo. 330, 180 P.2d 525 (1947); Kellner  
 113 v. District Court, 127 Colo. 320, 256 P.2d 887 (1953). Relief in the nature of prohibition in an  
 114 original proceeding is proper where a trial court is proceeding, or threatens to proceed, without  
 115 jurisdiction. Andrews v. Lull, 139 Colo. 536, 341 P.2d 475 (1959). Ordinarily, relief only lies to  
 116 prevent the lower court from proceeding further with the cause, but where this would not give  
 117 the relator the relief to which he is entitled, it may direct that all proceedings had in excess of  
 118 jurisdiction be quashed and the order entered which should have been. People ex rel. Lackey  
 119 v. District Court, 30 Colo. 123, 69 P. 597 (1902). Prohibition is applicable to restrain a trial  
 120 court from proceeding with a criminal trial when it has no jurisdiction over the subject matter.  
 121 Bustamante v. District Court, 138 Colo. 97, 329 P.2d 1013 (1958). Any decisions a judge

## Continuation from the Brief

## NOW, THE BRIEF IN THE BEGINNING OF CRIMES AGAINST HUMANITY

137 Fact: I left the Young Study Center in pursuit of information pertaining to my two son's  
138 hoping to get answers from the District Attorney's Office, and speak to Larry Krasner praying  
139 to get answers, as to who was the prosecutor in the case of Safiyyy Muahd Johnson, and  
140 Benjamin Tylil Fleming now upon arriving at the building behind the information counter at  
141 the District Attorney's Office was a Lady, and a male by her side at the counter there was a  
142 man waiting to be seen, and the man by her side was a lady I then waited for either person to  
143 be finished the man was finished first who was Caucasian.

144  
145 Fact: the gentlemen behind the counter picks up the desk phone, it rang two times he then  
146 puts his arm up while on the phone as if he was talking to someone in the lobby behind me  
147 he then points to me as if he's asking how can he help me I then say I am here to see Larry  
148 Krasner he points one finger as if now he saying hold on he hangs up the phone picks it back

149 up, and dial an extension while whispering now on the phone now, I could not hear what was  
150 being said, before hanging up the phone the male stated go to the 11<sup>th</sup> Floor.

151

152 Fact: So the only thing I heard was go to 11<sup>th</sup> floor, so that is were I went, at that time the lady  
153 who he was servicing someone else was waiting to go up the escalators so I notice the lady  
154 gone thru the door I followed , upon following the male from the counter he came over, and  
155 tried to block, after saying go to the 11<sup>th</sup> Floor he then stop me from entering I then stated  
156 you said go to the 11<sup>th</sup> floor, and he said yes but you just can't go at this time I am concerned  
157 and what are they hiding, so I asked so how did the white lady go thru, but you what to stop  
158 me, so I then manage to squeeze thru with another person entering the elevator as well.

159 Fact: I then told Eric, a relative, and a neighbor who was accompanying me at the time the  
160 male said you are not allowed, so he stopped us from getting to the second Floor at the top  
161 of the escalator me, and Eric comes into contact with two big men Caucasian men which one  
162 puts his hands on me who were in plain clothes, I continue to proceed to knocking at the  
163 office door with the men following me & Eric. I began to call out Larry Krasner are you there  
164 Larry the Caucasian male states mam you have to leave, or I will call the Police I stated call  
165 the police I didn't harm anyone so now that I'm not interrupting by knocking on office door,  
166 people began to come out the office upon me finding the location to the elevator where you  
167 now have 2 big men (Caucasian Male) then two females(1 Cooper color American) and (1  
168 Caucasian Female) they followed me to the elevator the Caucasian female tried to take my  
169 Gucci bag with my documents (papers), so I ask who are you to the tall blue eyed male with  
170 tan color hair he states he's going to call the police so now I said call them I didn't harm  
171 anyone.

172

173 Fact: I am here to see District Attorney Larry Krasner, at this point they are still following me,  
174 and says you have to leave or I'm going to lock you up I said I need answers he then states to  
175 the (Caucasian female) who never gave me her name, or badge number she was short with red

176 hair he said get the handcuff's next thing he grab my arm at this time I am screaming from  
177 pain of them twisting my arm I said let me go, you are not the police you people are in plain  
178 clothes now you have all four treating me like a harden criminal.

179

180 Fact: Now they proceeded to be brutal, and aggressive as they had me on the floor trying to  
181 get the handcuffs on me I'm screaming I can't breathe the to the Caucasian male he had his  
182 knee in my back while the others was holding me down pressing the back of my neck for  
183 minutes, smashing my face to the floor where the Caucasian lady when to get the hand cuff's  
184 they got me cuffed, so now they are trying to pick me up to put me in a room so refuse to get  
185 up at this point I do not trust them, now I said I prefer to sit in the hallway where people can  
186 see what's going on, so the Caucasian female said, if you tell me the problem I might can help  
187 you, that never happen her giving me help, all they had to do was contact a DA assistant or  
188 someone from the DA's Office to talk too.

189

190 Fact: So I said to the Lady my two sons got arrested for a search warrant that was not for  
191 them but for another young man that do not reside at my house, translation wrong house,  
192 wrong people so why were they arrested?, the police have knowingly and willingly committed  
193 a crime which was an unconstitutional practice (unlawful search and seizure Article 8  
194 Pennsylvania Constitution) the address in question that they broke into was 1246 Wagner  
195 Avenue Philadelphia Pa. 19141 respectfully and with no warrant, at this time I started asking  
196 her questions requiring certain documents in which I have not receive so she ask what's your  
197 son's name, and date of Birth, in which I gave to her, meanwhile she says let me go see what  
198 is going on.

199

200 Fact: at this time I tried getting off the floor again to go in a room they have been trying to  
201 get me into but, I refuse again so they began to get angry they pick me up, and took me in a  
202 large conference room so now while in this room with the 2 females and the 2 male people at

203 this time they still haven't read me my rights nor what was I being detained for, and again they  
204 ask me what am I here for, and who are you people are you from the Sheriff Department,  
205 show me some credentials or ID or something, I said I hope you have your foreign registration  
206 statement so they all started laughing, I began to get out the chair with my hand cuff's and;  
207

208 Fact: As I proceed to get up to catch my breath, and stretch at that time I got pushed back  
209 down so after being in the conference room approximately 30 to 40 minutes they grab me  
210 holding me taking me took me to the elevator and walk me down, and out to the police officers  
211 who's van was outside waiting for me upon coming out I see Eric my neighbor over on the  
212 corner so the officers are searching my person they remove all items out my black leather  
213 jacket pockets meanwhile I'm crying, and shouting Eric call my kids one of the officers ask do  
214 you want me to give the guy your bag I stated yes you can give it to Eric they put me in the  
215 back of the police wagon.

#### 216 THE BEGINNING OF THE BRUTALITY

217

218 Fact: I arrived at 8<sup>th</sup> & Race Streets, when I got there the officers were handling me with  
219 extreme roughness trying to get my leather jacket off with the cuffs on so I stated you have to  
220 take the cuff's off first they the put the cuff's back on then they took me all the way in the 2<sup>nd</sup>  
221 cell from the end I felt notice my menstrual was on where I had on a light mint color two  
222 piece sweats top the blood seeped thru my clothes, and I said to them I need help I called for  
223 an officer no response the other people in other cells the officers allowed to get a call, calling  
224 a person for finger printing when they felt like it, at this time they the Police have not told me  
225 what I was Arrested for, nor have they read me my rights nor let me make a phone call.

226

227 Fact: I was lock up with men on the same cell block picking up the trash from the inmates  
228 which consist of 2 slices of bread, and water or trash from sanitary upon the men arriving on  
229 the block I would ask for a water or to tell the person or officer working up front to come

230 help me the men ignored me every time I would notice, and hear the officer on the block near  
231 me.

232

233 CONTACT WITH OTHER INMATES AT THE 8<sup>TH</sup> & RACE STREETS POLICE  
234 ADMINISTRATION HEADQUARTERS

235 Fact: The Police brutality, and harassment continues, so now the Female Office who gives no  
236 name come to get me to be processed by (3 Officers) after taking me to the Front of the  
237 administration Building Headquarters and on the screen they ask me to step up to the screen  
238 with a picture of a (WHITE OLDER MAN) so I stated that's not my name or my picture at  
239 that time a CAUCASIAN MALE HEAVY SET with blue eyes who's finger I bit earlier push  
240 me and said we not going to play put your fingers, I stated that's not my picture so now they  
241 are MAD and showing extreme and then processed to put the cuffs on me hard so now I'm  
242 asking them to loosen the cuff's they are too tight and then they grab my arms to rough so  
243 they took me back to the cell I'm saying to the others inmates please if you all get out my name  
244 is Shakenah Johnson I reside at 1246 Wagner Avenue Philadelphia Pa. 19141, I go by the name  
245 Kean Bean the crab queen please tell someone what these officers are doing because it is not  
246 right after that episode they put me back in the cell hand cuff me to the bars, and left me I  
247 now ask the other inmates are they handcuffed to the bars of the cell which I already knew  
248 they weren't just for the record.

249

250 Fact: after walking back pass from them they the PHILADELPHIA POLICE were trying to  
251 process me under another name (PERSON) of their choosing one inmate said no I said why  
252 they have me handcuff, I then shouted lord help me this people are acting like animals  
253 brutalizing me like a SLAVE on a Plantation n I began to cry and ask GOD for forgiveness,  
254 and help me to get away from these demonic officers who I cause no harm, or danger so now  
255 I'm cuffed to the bars which means I can't sit down nor move around so hours go by 2 male,  
256 and two females come with a cell phone to get my finger prints upon grabbing my fingers

257 trying to place them on the phone with me still handcuff to the bars I asked what are you all  
258 doing please let me go you all are hurting me.

259

260 Fact: At this point my hands was with a close fist whereas two Officers were tying one  
261 hand, and the other two on the other somehow the left cuff came off so now my right hand  
262 is still cuffed to the cell which came off at this time my right arm is still cuffed to the cell bar  
263 where the (BLACK FEMALE OFFICER) began pulling the braids, banging my head against  
264 the cell still handcuffed, here I am again with these Philadelphia Police Brutalizing me again  
265 and again, I said to myself I am wondering am I going to be another Sandra Blain, no one  
266 knows were I am sense they were trying to process me under another name so there will be  
267 no trace of my existence.

268

269 Whereas they the PHILADELPHIA POLICE began another offensive behavior spraying  
270 disinfect spray in my mouth, face & eyes it was in a tall white can it cause me to start  
271 breathing fast and spit out my mouth the spray the WHITE MALE OFFICER with blue  
272 eyes took his close fist and punch me five (5) times in my left eye and on the forth punch I  
273 was able to bite his finger upon biting the officer 3 more officers 2 male one being tall  
274 named Sheriff Carson a Black Male with glasses another one tall light brown skin who I  
275 remember prior to seeing in the room where you see a Judge on the screen and she give you  
276 your charges and he the writes up the paper work, at that time the two officers and Sheriff  
277 Carson stood there while the other officers opened the gate and they began choking,  
278 punching, kneeing and scratching

279

280 MORE ABUSE AND FACTS OF THE BRUTAL ASSAULT OF MS. JOHNSON  
281 PERPETRATED BY THE PHILADELPHIA POLICE DEPARTMENT AND SHERIFF  
282 DEPARTMENT ALIKE

283 Fact: Me they then picked me off the floor took the right handcuff off and locked me back in  
284 the cell I'm sitting there crying with blood all over my clothes my braids snatched from the  
285 roots my head pounding my eye black and puffed scratches on my arms, neck lips busted my  
286 left wrist and thumb my right wrist which have no filling and was busted I felt like I had no  
287 life in my body so now I removed the bloodied clothes showing the officers thru the gate  
288 saying I need help, I dropped my clothes outside the cell when the female cop walked thru the  
289 block she kicked my clothes and braids that were snatched out of reach so now.

290

291 Fact: Whereas, as I stand naked brutalized by the Police Officer who all conspired in this  
292 brutality to KILL me and make it look like an accident or blame it on other inmates I (surmise)  
293 through it all I still calling for help blood running down my face with nothing own  
294 (CLOTHES) Menstrual bleeding profusely still calling for help but yet no response hours pass  
295 when female Officer come with a white plastic jumpsuit so I asked can I have my clothing she  
296 said it has blood all over it I said its fine I want my clothing in which I came in with so she  
297 kick my clothes I got dressed they took me out I ask where are you taking me the officer stated  
298 to get checked out I said I don't want to get checked out I am now totally afraid of these evil  
299 people if this is standard Police Practice then this is a sad day in the City Philadelphia, the saga  
300 of abuse continues and harassment continues.

301 THE JEFFERSON HOSPITAL VISIT FOR INJURIES SUSTAIN BY THE BRUTALLY  
302 OF THE PHILADELPHIA POLICE DEPARTMENT

303 Fact: Whereas I don't know there next move may not be a good one, so as I'm looking out  
304 the little window in the middle front of the Police Van I notice we arrive at Jefferson Hospital  
305 going thru an area that public persons don't enter upon pulling me out the Police Van the  
306 Officers had put on the clear face shields which they never had on before coming to the  
307 Hospital (JEFFERSON) a CAUCASIAN MALE OFFICER with blue eyes wearing glasses  
308 tall come in flashing a light ask me would I like to be seen, I said to him I didn't do anything  
309 wrong, I just want to go home so the officer said do you want to be seen I said no I refuse

310 treatment not knowing that the officers were now taking me to the Detention Center on State  
311 Road once again never formerly charged to best of my knowledge now at this time I realize I  
312 need to get seen, and before they take me out of the room I said I need to be seen they said  
313 NO it's too late yet we are still at the Jefferson Hospital they said you are going to jail,

## NOW HEADED TO THE PHILADELPHIA DETENTION CENTER

315

316 Fact: whereas they the POLICE OFFICERS proceeded to take me back to the police van  
317 upon after getting in the van I arrived in the back of a building that said do not occupied due  
318 to hazard conditions the officers stopped at a window the driver takes his gun off I said are  
319 you all ready to KILL ME, in which I think that was there plan all long as it appears they  
320 WERE thinking about it the officers (although speculative there actions warrant the  
321 Statement) so the other officer in the van gets out the driver passes the gun the gun goes to  
322 the window he then comes back, then we drive thru another gate where they take me out I  
323 enter the building to the right is an office where I can see two Black Female Officers one come  
324 out the officer gives her paperwork she ask me to step inside this room across from where

325

326 Fact: I first seen this woman and the other female at the 8<sup>th</sup> & Race now upon waiting she take  
327 me thru another set of doors where a chair is, and she ask me to sit, and wait while she gather  
328 stuff so I can take a shower, she then ask if I wanted her to wash my clothes I said NO, thank  
329 you I'll wash them myself not realizing that they wanted to destroy the evidence of their  
330 brutality, at that point she said sure so it will be ready & clean for you when you finish. She  
331 then took me too the shower gave me a towel soap and rag asking me to bend over, and cough  
332 when I'm done showering put everything in a bag and put on this sweatshirt and jumpsuit,  
333 now after getting out the shower she had me sign some papers for my things, after that she  
334 then put me in another room inside the area from where I was first brought in, and tell me I  
335 must take the rest of my braids out I then ask for scissors and a comb.

336 **Continued Abuse**

337 The female prison officer gives me the scissors and comb I took what was left from 8<sup>th</sup> and  
338 Race Streets the Police Administration Building which was snatched out, She now takes me  
339 to the cell block where there are other females the correction officers are talking to the other  
340 inmates with humiliating words cussing and continued verbal abuse for no reason, and treating  
341 me and others (INMATES) with no respect they would then open the cells to allow the  
342 inmates out for which they say is an hour however it is whatever time they say I would grab  
343 my things, and head to the top where the C/O brought me in they would stop me, and send  
344 me back to the cell so they came, and took me to a different side 207 which is considered to  
345 be the crazy part of the prison where they label as a mental prisoner upon arriving there I later  
346 found out I there in a locked room with a big turn key with a black eye mouth busted wrist  
347 busted with puss coming out developing an infection, now a nurse came with the C/O to take  
348 my temperature and ask me some questions.

349

350 Fact: I said my head was heavy which my eye was thriving and I was cold and in a lot of pain  
351 I asked for some Tylenol she said she will document this procedure, I ask when will you bring  
352 it back noon time came next day, at this time I can see it is a new day when Correction Officer  
353 Beckam come in she gives me a cold pack then, now comes the first time I ate something in  
354 days, since the day I got arrested I ate the cold pack (FOOD) and now I'm still waiting for the  
355 Tylenol for this is major pain in my head, so now the C/O, and nurse comes she says Ms  
356 Johnson here is your Tylenol in a little white paper cup I looked at the pill its PINK, I said  
357 this is not Tylenol the nurse said you ask for Tylenol you want it I said Tylenol is not pink you  
358 are trying to (POISON ME) the C/O now leaned, and holding the on the door knob stumps  
359 her feet, and with an attitude says its Tylenol you going to take it or not so because my head  
360 was hurting I was praying even if it's not Tylenol please give me something to take for this  
361 pain so I put my left hand out put the pill in my mouth, she said lift up your tongue so we can  
362 see they observed the pill was taken after that they left after they left I laid down and fell asleep  
363 I woke up not feeling myself so a Chinese looking Male nurse come to check on, and I tell

364 him I don't feel well, nothing happened time goes by I'm not eating so Beckam the C/O would  
365 come in the room saying Shakenah please eat you have to eat something you look dehydrated  
366 and sick please eat the apple, I began to pray harder and then a C/O came which I thought I  
367 was going home and they took me back to the block now I'm slowly losing the headache, and  
368 now I can see clear. I began to ask questions to other inmates on December 4<sup>th</sup> 2021 now  
369 realizing how much time has gone by I began getting treated by a nurse who cleaned my arm  
370 for the first time she gave me some ointment called A&D the time I was there I never was  
371 given a care packet a jump suit to change in a wrist band nor did they have the date on my  
372 paper work on the door all inmates had dates and bands. Comment this very interesting a  
373 conspiracy to act like she never existed in their facility, (THE PRISON). C/O mean  
374 (Correction Officer or Officer(s)

375

376 ABUSE OF POWER BY ALL PARTIES

377

378 Fact: They being the Prison System never set me up to contact my family which I've been  
379 asking since the day 1 I arrived, every time I would ask a C/O she would say when the next  
380 C/O come on duty when the next C/O on, and on so I then got called from C/O Phillips to  
381 go set up my PP# and speak to an Attorney on the phone when calling in there was no  
382 response C/O Phillips called someone to inform that I was trying to get thru and when she  
383 hung up she stated they canceled and I said canceled why she said your hearing and took me  
384 back to my cell so now

385

386 Fact: I still have not spoken to any of my children nor family since being arrested because they  
387 did not allow me any calls now time goes by now, we are out of our cells for a break and the  
388 C/O walks over and hand me someone else papers I give it back, I finally get to the phone,  
389 and trying to dial and it did not work for 2 days.

390

391 Fact: I informed the C/O and I got no help so an inmate who I knew from the outside began  
392 to help and guide me thru step by step when she got the C/O let me out with her who is  
393 Jazmine Gittins she then gave me knowledge as to who is who, and how they treat the inmates  
394 time passes by now I see another inmate known by me Nafeesah who was also a worker and  
395 we acknowledge each other to be cousins who began helping as well then another Malika and  
396 also lucky those four young ladies helped me through the process till the day I got released.

397 Foot Note: All of this transpired because of a mother's concern for her children that was  
398 unlawfully and unconstitutionally taken from her home, and NOW the mother gets brutalized  
399 unconstitutionally by the same POLICE DEPARTMENT, before the United States talk about  
400 crimes perpetrated by other Countries WE need to take a long look at what is going on here  
401 in America.

#### CAVEAT

404 It is truth and fact that these ancient Land belong to the autochthonous aborigine's heir to  
405 these Lands I queen shaknah holder in due course of the ESTATE OF JOHNSON, and the  
406 ssn, as we know what it is really all about, as from the history thereof to my observation our  
407 forefathers (Ancestor's) who welcomed the European immigrant to travel with safe passage  
408 through our lands, for our thanks for doing that, we have been murdered, our woman raped,  
409 and beaten , many tortured, many made homeless homes, many we don't know what happen  
410 to them, burned down etc. like the Elaine Arkansas Massacre 1919, and the Ocoee Florida  
411 Massacre the rest is well documented many unlawfully imprisoned, and it still is happening  
412 almost everyday day, how on the basis of Commonwealth of Pennsylvania, vs. Justin Irland;  
413 Brief Quote The Commonwealth upon consideration of Plaintiff(s) and additional plaintiff(s)  
414 who are entitled to the return of their property that was unlawfully taken from them in direct  
415 violation of the Pennsylvania Constitution and the Order entered by the Commonwealth  
416 Court, In case law cited as Commonwealth of Pennsylvania, vs. Justin Irland, The  
417 Commonwealth and its Court never had right to confiscation authority and that it never came

418 with them from across the sea , also religious immunity from (tax, levy, and fees)as cited by  
419 our Supreme Court, in Murdock vs. Pennsylvania, cited as case law, 319 U.S. 105, et. seq.  
420 incorporated and made part of this **ORDER”**. Certified Order as of January 03, 2020, in  
421 United States District Court, (Quote) violation of the Pennsylvania Constitution Article 1  
422 Section 8. I think we all are tired of being sick and tired.

#### 424 RELIEF SOUGHT

425

426 Upon the Mental, and physical abuse by the PHILADELPHIA POLICE, and horrible Prison  
427 conditions and disrespectful Prison Guards, and the mental, physical abuse, and the constant  
428 humiliation by the Prison Guards, and the inhuman conditions and treatment such as mice  
429 fighting other mice, Rats in the cells inmates that have been bitten by Rats the food delivered  
430 in unsanitary fashion, giving wrong medication that made me sick, the physical abuse from the  
431 beginning was unprecedeted in my eyes, only true relief is Justice, in which I have been  
432 praying for. Relief sought, ? in this matter doesn't have a price but, we must reflect on the lack  
433 of moral compass that is beyond man's comprehension these are the signs of a damaged, and  
434 endangered society of a mentally seduce system that systematically prays on the weak and  
435 disenfranchise those that show a ray of intelligence which in many incidence, thereby by  
436 making this a non-compromising system (a Dictatorship) of in justice when you can abduct  
437 another being brutalize, humiliate, denied them there rights as an Indigenous Peoples, and a  
438 Tribal member of a sovereign nation. I think relief need to be left for the people to decide in  
439 a TRIAL BY JURY!!! that would be the ultimate relief (JUSTICE).

440

#### 441 CONCLUSION

442

443 All parties to be charged in the following: Criminal Conspiracy, and actions of those, of  
444 Human Trafficking, Crimes against humanity, Abuse of Power, Obstruction of Justice,

443 Slavery, Miranda Rights, aggravated assault, trespassing against a non-corporate being and  
444 Genocide which are all International Crimes as well as Federal Crimes this is clearly a Criminal  
445 Case and all parties involved to be arrested by the Sheriff Department, Philadelphia Police  
446 Department and the Philadelphia Bureau of Prisons, and First Judicial District of  
447 Pennsylvania, a system of injustice that is worse than an APARTHEID SYSTEM, as in  
448 Modern Day Slavery, as a common practice by the Municipalities, which are bordering on  
449 GENOCIDE, if not already there by giving me a pink pill that is supposed to be Tylenol ,  
450 and then force me to take it or else, all documents and to be confiscated immediately without  
451 delay, and taken into the possession by the United States District Court, Eastern District of  
452 Pennsylvania, and transfer same to whom jurisdiction has been given.
